**SCHOOL SPORT & PHYSICAL EDUCATION**

# BEN MURRAY

## SPORTS COACH RESPONSIBLE FOR P.E

- Qualified PE Teacher
- 10 Years Experience
- Passion for Sport
- Passion for Development
- Football / Tennis

# SPORTS PREMIUM FUNDING

- DfE spending over £450 million on improving PE and Sport within Primary Schools over 3 academic years.
- Funding given to directly improve the quality of sport and PE for ALL pupils
- Objective is to improve the fitness, health and wellbeing of pupils

## The Aim and Objective of my Role-

- Raise confidence within the school to provide sports specialist training to staff to enable more enjoyable PE lessons
- To introduce a competitive element of sport in our school
- Raise the standard of PE across the school

# PHYSICAL EDUCATION LESSONS

The curriculum will look at a number of sports throughout the academic year, as well as developing fundamental key skills-

Sports such as Football, Hockey, Volleyball, Handball, Badminton, Gymnastics, Tennis, Athletics, Tag Rugby, Softball, Benchball, Rounders, Basketball, Netball along with others

Fundamental key skills such as being able to throw and catch, range of movements, decision making, working together as a team and problem solving

# PHYSICAL EDUCATION LESSONS

Each pupil will be monitored during their lessons and each pupil will self-assess their development, staff will also be progress tracking throughout the academic year.

By doing this, each pupil will be able to be set realistic learning targets in each lesson, in order for them to achieve and progress.

# PHYSICAL EDUCATION LESSONS

My other driving force is to introduce more of a competitive element into school sport and PE, so that pupils enjoy individual and also team sport even more.

Within the first month we will introduce a school house system.

Pupils will also be given targets to achieve and better their own personal bests

# SCHOOL CLUBS

<b>TUESDAY</b>	<b>MULTI-SPORTS</b>	<b>12.30-13.15</b>
<b>WEDNESDAY</b>	<b>FOOTBALL</b>	<b>15.00-16.00</b>
