

Littleton C of E Infant School

Key Changes in other Subjects

English

- Stronger emphasis on **vocabulary development, grammar, punctuation and spelling** (for example, the use of commas and apostrophes will be taught in KS1)
- **Handwriting**(not currently assessed under the national curriculum) is expected to be fluent, legible and speedy
- **Spoken English** has a greater emphasis, with children to be taught debating and presenting skills.

Science

- Strong **focus on scientific knowledge and language**, rather than understanding the nature and methods of science in abstract terms

Computing

- Computing replaces Information and Communication Technology (ICT), with a **greater focus on programming rather than on operating programs**
- From age five, children will learn to write and test simple programs, and to organise, store and retrieve data

Design Technology

- Design and Technology has become more important in the new curriculum, setting children on the path to becoming the designers and engineers of the future
