Phone: 01932 563271

Date 9th January 2015

Our Learning Journey

We have started our new enquiry by asking questions and thinking about what we would like to learn. We have talked about some of the features of a traditional tale. In Maths we have been practising number facts with Mad Maths Minutes!

Focus on phonics

We have been learning to write the sound /j/ as j at the beginning of a word or -(d)ge at the end of a word. Can you make up some word ladders with these sounds?
EG edge-ledge-pledge-hedge

Parents in Partnership

Please have a look at our half-termly overview of planned learning. The children have put forward some ideas for what they would like to investigate as part of our enquiry. Do you have any skills or interests which would enrich our learning? For example—storytelling (traditional tales from other cultures?) home-made puppets or story props, film making or book illustrating. Thanks.

Star Learners

Isaac—for a positive attitude to all his learning this week
Luca—for always trying his best in every subject

Our enquiry question this term is
"How can we bring traditional tales to life?"
