Date 5th December 2014

Our Learning Journey

We have been learning to write instructions, with a "How to..."title, a list of what you will need, and numbered sentences.

In Maths we have started to tell the time. If your child has a watch, they are allowed to wear it so they can practise reading the time. By the end of year two children should be able to tell the time to 5 minutes.

Focus on Phonics and Spelling

We are revisiting all of our long vowel sounds and trying out different ways to write a sound to see which one "looks right"

Star Learners

Charlie T for coming up with lots of ideas for raising money for Uganda

Oliver—for always being polite and helpful

Parents in Partnership

The children are running a stall at the Christmas Bazaar. If your child would like to help please sign up outside Kingfishers Class. We will also have a box where you can donate small Christmas gifts to send to Uganda (pencils, pens, socks, soft toys). The last day of term is Christmas jumper day—please bring £1 for Lilly Uganda

Next week is Nativity Week:
please send in any costumes on
Monday; performances are
Wednesday and Friday at 1.45
