

Littleton C of E Infant School

Use of Pupil Premium 2016-2017

Background

The Pupil Premium is allocated to children from low-income families who are currently known to be eligible for Free School Meals (FSM) in both mainstream and non-mainstream settings and children who have been looked after continuously for more than six months. This also includes pupils eligible for FSM at any point in the last six years (known as the Ever 6 FSM measure).

Schools are free to spend the Pupil Premium as they see fit however they will be held accountable for how this additional funding has been used to support pupils from low-income families. Since September 2012 schools have been required to publish online information about how this fund has been used, this will ensure that parents and others are made fully aware of the attainment of pupils covered by the Premium and the extra support that they receive.

Our School

In 2016/17 Littleton Infant School expects to receive £11,140 Pupil Premium.

Pupils benefitting from this funding:

Yr R 2 pupils

Yr 1 3 pupils

Yr 2 3 pupils

Activities selected	What this does?	Targeted Pupils	Cost
1. Wave 3 Intervention	This is where an individual pupil is removed from their class and given intensive one to one literacy intervention to “close the gap” for short regular sessions until the literacy gap with their peers has been closed. Children are assessed at the beginning of the intervention and regularly throughout the period of the interventions.	Yr 1 & Yr 2	£1,400

2. Individualised Learning Programmes	This is where individual pupils are removed from their class to participate in individualised learning programmes including daily reading, writing and letter formation practice where entry and exit levels are assessed.	All classes	£1,778
3. First Class @ Number Intervention	This is where a small group of children are removed from their class and given intensive targeted maths interventions. The intervention is carried out for a period of 12-15 weeks and children are assessed at the beginning and at the end of the intervention	Yr 1	£700
4. Phonics Intervention	This is where a small group of pupils are removed from their class and given intensive targeted phonics interventions in order to close the gap with their peers; entry and exit levels are assessed	Yr 1 & Yr 2	£990
5. Whole Staff Training and consultations to develop the curriculum	Delivery of whole staff training and consultations by an external educational consultant specialising in the development of meta cognition (linked to effective use of PP money from Sutton Trust Report 2013) developing the Learning to Learn curriculum and enquiry based learning to increase pupil outcomes, engagement and improve Assessment for Learning strategies in the school to accelerate the progress of pupils.	All classes	£1,500
6. ELSA Resources	The purchase of curriculum resources to support Emotional Literacy Support Interventions in our newly created 'Nurture Area' – books, phonics, puzzles and other resources to support social development.	All Classes	£500
7. Positive Playground Development	The purchase of playground equipment to develop 'zoned' playground areas so that disengaged pupils with low self-regulation are more fully engaged in positive playtimes and return to class calm and ready to engage in learning .	All Classes	£1,800

Inputs: - What are the key features of our project?
At whom is it targeted?
What do we aim to deliver?

We will run a Wave 3 Fisher Family Trust Early Literacy Intervention group to help to close the gap in literacy
This will be targeted at Pupil Premium pupils in Year 1 who have been identified through tracking and baseline literacy assessment
The provision will run for on four afternoons per week for (30mins) Wave 3 intervention training and professional development provided by Spelthorne Schools Together to ensure current pedagogy and opportunities to improve and reflect on our provision as a school.

Identification of dates and times of intervention and a letter promoting it to parents
