

Littleton Explorers Weekly Learning

Letter Date: 20th September

Our Learning Journey

This week we have been on an adventure around the Littleton School to get to know our surroundings. We also went to visit the library bus, we enjoyed sharing 'Handa's Surprise'

In circle time this week we all demonstrated how to be super listeners and how to be in charge of our own learning, well done Explorers.

Next week we will be thinking about our emotions.

Parents in Partnership

The children have been very interested in the changes outside, next week I would like to continue with the children's interest. Could your child please bring in any leaves, conkers, acorns and other autumnal items you find.

Star Learner

This week's star learner is Freddie for settling in well and showing care for others.
