### Our Learning Journey

What a wonderful start Kingfisher Class have made. We are working really hard on developing our Year 2 growth mind-set and resilience.

Our enquiry question this half term is 'What makes our bodies amazing and brilliant?'

This week in English we have been learning about the story of The Hare and the Tortoise. We wrote the story and acted out different parts of the story.

In Maths we have been learning about representing numbers in different ways by using dienes, ten frames and Numicon. We have also spent a lot of time understanding the value of each digit in a 2 digit number.

### Focus on Phonics

We will be revisiting phase 5 sounds and looking at homophones. We will also be looking at sound families. There are currently no spellings. We will be discussing this on Wednesday at our Curriculum Evening.

### Parents in Partnership

**Reflection Assembly:** Please find attached the Reflection Assembly Rota. Every week three children from each class will have the opportunity to share their learning in assembly. It's a special time for each child so please could you let me know if the date you have been given isn't suitable. Please feel free to swap with another parent but please let me know of any changes.

Don't forget Curriculum Evening next week on Wednesday 20th September. I look forward to seeing you all then .

I would also like to welcome Anjulee to Kingfisher Class. The children are being very kind and making her feel part of the Littleton family.

# THANK YOU!

I would like to take this opportunity to thank you all for the kind and thoughtful gifts you gave me at the end of last term. I was overwhelmed by your generosity and the thought and care you put in to them.

I absolutely loved the Climb up the O2. I chose one of the hottest days of the year to do the climb and had amazing views over London. Sadly the guide wouldn't let me take the bear up with me but he did enjoy coming to London for the day.

Thanks again for your kindness. I'm truly blessed to be part of such a lovely community.
