Our Learning Journey

Welcome to Swan Class

We have had a lovely week with your children.

Some children have been here for 7 days, some for 5 and the rest have had 3 days in school. We now have 22 children in the class with the rest starting on Monday and Wednesday of next week. We have been delighted with how well they have all settled and how quickly they have made lots of new friends. Every child has coped remarkably well with all the new routines and we are so proud of all of them for listening so carefully to lots of instructions. A fabulous start to school life.

This weeks learning highlights...

- We have painted fantastic self portraits which will be displayed for everyone to see.
- We have enjoyed playing with the mud kitchen and forest area.
- We have tried really hard to learn our lunch time prayer and our home time prayer.
- Lots of us have played in our home role play and Doctors surgery role play.
- We had a fun time learning lots of new songs during music time.
- We have enjoyed using the community wooden blocks in the outside area.

Staffing in Swan Class

Mrs Jones (Teacher)

Monday Tuesday Thursday Friday

Mrs Dawsey (Teacher)

Wednesday

Mrs Rizvi (TA)

Monday Tuesday Wednesday Thursday Friday

We look forward to meeting you on Wednesday evening at 6.30pm for our Curriculum evening. At this meeting we will explain in more detail about the procedures and curriculum in Swan class.

Star Learners

James H for talking so confidently about trying new learning every day so that his learning stars become very shiny.

Lucia for always setting a good example to others.

Our class promise tree demonstrating the three school values.

Our prayers for lunch time and home time.
