Our Learning Journey!!

Welcome to Swan Class

Our enquiry question this term is

'What makes a good learner?'

This weeks learning highlights...

- We have started our letters and sounds learning this week. Your child has been learning the letter 's'. They should be able to sing you a song, tell you the letter name and sound.
- The children have started joining the rest of the school for assemblies this week. They have listened beautifully. We have been very proud of them for sitting with their legs crossed and for keeping their hands in their lap.
- We had fun going on a nature walk to spot signs of Autumn.
- We practised our scissor skills when we made our Harvest hats..
- We had fun singing our harvest songs.

Illness

If your child is not well enough to attend school please phone the school office from 8.30am so that we can record your child's absence as authorised.

If you don't contact the school, Mrs. Hewitt will contact you for a reason why your child is absent.

Please read the leaflet given out to your child today and the main newsletter about the importance of good attendance.

Parents in Partnership

It was lovely to see so many of you at our Harvest Assembly on Thursday. We were so proud of Swan class. They sang beautifully and sat quietly listening to Tim and the other children singing.

Our refection assemblies will start next Friday. Each child will be given a date between now and Christmas to share their learning with Mrs Barton, family members and the rest of the school. Letters to be sent out on Monday.

P.E. will start next week so please send their P.E. kits in on Monday.
Thankyou

Star Learners

Louis C for using the Littleton language of learning so confidently.

Erin for singing so beautifully and confidently during our Harvest assembly.
