

# Littleton Explorers Weekly Learning

Letter      Date: 8<sup>th</sup> November

## Our Learning Journey

This week Littleton Explorers have been learning about Remembrance Day. We made poppies in lots of different ways and the children challenged themselves learning new creative skills.

On Wednesday we went for a listening walk around the school to see what we could hear. The children had to be very quiet and shared our learning with Mrs Barton.

## Parents in Partnership

The children have shown a lot of interest in dinosaurs, so next week we are going to go on a dinosaur adventure. If you have any dinosaur books, please could we borrow them?

Thank you

## Star Learner

This week's star learner is Hannah for showing care for her friends and being independent in her learning.
