

# Littleton Explorers Weekly Learning

Letter      Date: 16<sup>th</sup> March

## Our Learning Journey

Littleton Explorers have had great fun this week exploring the new airport role play, complete with aeroplane. The children have been jetting off all over the world!!

The children used their problems solving skills to create boats and attach a mast using boxes, tubes, paper and tape.

On Wednesday the children had a fantastic time in forest school, making fires, cooking, building dens and making swings.

## Parents in Partnership

30hrs – if you would like your child to take up the 30hrs hours or to increase their hours after Easter please apply online for your code as soon as possible – Speak to Miss Lunney or Mrs Hewett if you have any questions

## Star Learner

This week's star learner is Isaac for being a brilliant Explorer in Forest School. Well done Isaac

## Easter Celebration

**To celebrate Easter and another fantastic term at Littleton Explorers we would like to invite parents and carers in on Tuesday 27<sup>th</sup> March at 2.30pm.**

**We would really like all of the children to create Easter bonnets/hats at home to then bring in for a small parade on the Tuesday.**
