Our Learning Journey

In English this week the children have been ordering and writing instructions on how to create a toy Roly Poly.

They have been focusing on using bossy verbs to begin their sentences and making sure they number each instruction correctly.

In Maths we have begun counting in 2's and 5's. The children have been using the dienes to count up in multiples of 2 and 5 to their chosen number. We will continue with this learning next week.

In our Enquiry learning we have been continuing with creating our toy Roly Poly. This has informed our English learning and helped us to write the instructions. The children are looking forward to sharing these with you.

I have rearranged the children whose reflection was cancelled due to the snow:

Hollie-M 16.03.18

James and Grace De Cruz 23.03.18

Focus on Phonics

In phonics this week we are exploring the alternative pronunciations of the /ow/ and /ie/ graphemes. This is tricky learning and so we discuss the strategy of trying out both the sounds we know and deciding which seems the most appropriate.

Acorn Adventures on Phonics Play is a game the children use in class.

Parents in Partnership

Forest School is taking place next week on **Tuesday 13th March**. Please ensure children have their forest school clothing. They should come to school in their uniform and have their **clothes and forest school footwear in a separate bag.**

If you can help with the afternoon session please let me know ASAP.
