## Head Teacher Letter

Dear Parents,

Thank you to everyone who attended our Curriculum Evening on Wednesday. It was encouraging to see so many parents in attendance. **If you were unable to attend I would ask you to read and return the questionnaire sent home in your child's book bag today.** The purpose of the letter is outlined below.

We are continually committed to working in close partnership with you as a Learning Community. As such, we are seeking your views regarding the content of workshops that we will be running for parents on **Wednesday 16th January at 6.30pm.** The purpose of these workshops is to enable you to support your child's learning at home, to understand the curriculum and our approaches to learning at school. We are proposing to run a carousel of workshop sessions that will cover four different learning areas over the course of the evening. This new approach is to reduce the need for parents to organise childcare and to maximise parental engagement. Please indicate your top four preferences from the list outlined on the letter and return it to school by Friday 28th September at the latest.

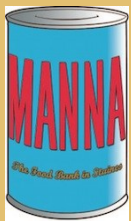

Thank you for your support.

Kindest regards,

Mrs Barton

## Harvest Festival

All parents are invited to our Harvest Festival on Thursday 27th September at 9am.

As in previous years we will be supporting the Manna Foodbank in conjunction with St Mary Magdalene Church. Any donations of non-perishable food or everyday household essentials will be much appreciated for this worthy cause. Can you please bring any donations into school on **Wednesday or Thursday next week.** Thank you for your support.

## Curriculum Evening

Thank you to everyone who attended our Curriculum Evening this week. Please ensure that if you were unable to attend that you read through the PowerPoint presentations that have been sent home with your child today. They contain important information regarding the daily routines for each year group and the expectations for learning. Please also return the letter about parent workshop preferences that is attached as soon as possible. Thank you for your support.
