Date: 21st September 2018

Our Learning Journey

We are continuing to develop our resilience and growth mindset this week. Please reinforce our learning language at home.

In English this week we have continued our learning on The Hare and the Tortoise. We wrote a character description of either the hare or the tortoise. We planned our own story by choosing our own two animals. We then started writing our stories in the style of The Hare and the Tortoise.

In Maths we have been learning about place value. We have been concentrating on the value of the tens and ones in a 2 digit number. We have been using the part whole model and writing partitioning number sentences in the expanded form such as
 $64 = 60 + 4.$

In art we learnt about portraits and then drew our own self portrait.

No Nonsense Spelling

This week we have been learning about homophones and looking at the different ways of spelling the same sound eg ai, ay, a_e.

Parents in Partnership

Thank you to all the parents who came to our Curriculum Evening. For those of you who were unable to make it, the PowerPoint will be available on the website shortly.

Just a reminder that our Harvest Festival is on Thursday 27th September. I look forward to seeing you then! The children have been working hard practising their song.

Florence Nightingale and Mary Seacole Workshop

On Tuesday the children took part in a workshop about Florence Nightingale and Mary Seacole. They learnt all about their lives and acted out different parts from the time. The children thoroughly enjoyed and it was a great way to start our Florence and Mary learning.
