Date: 28th September 2018

Our Learning Journey

In English this week we enjoyed writing our stories in the style of The Hare and the Tortoise. Ask your child which two animals they chose.

In Maths we have been learning about the greater than, less than and equals symbols and how to compare objects and numbers. We also continued our learning on place value by finding different ways to partition numbers. Eg $56 = 50 + 6$, $40 + 16$, $30 + 26$

In History we learnt about significant people in our lives and from the past. We then learnt about why Florence Nightingale is a significant person and the changes she made to hospitals.

In RE we have been learning about what Harvest is and how it is celebrated around the world.

No Nonsense Spelling

This week we continued our learning on homophones. We have also been looking at the different ways of spelling the /oo/ sound. Please remember to return your dictations on a Friday. Thank you!

Parents in Partnership

Thank you to everyone who came to the Harvest Festival. I was very proud of the children's singing. Also thank you for all your donations.
