

Swan Class Weekly Learning Letter

Date: 21st September 2018

Our Learning Journey

This week in Swan Class we have been settling in to school life. The golden rules are being reinforced and we have begun to explore our enquiry question "what makes a good learner?". It has been exciting to see the children begin to take charge of their learning. Many of the children have been taking great pride in developing their independence at our self-service snack bar and have thoroughly enjoyed their lunches served up by the older children.

Parents in Partnership

Thursday 27th September, 9am, will be the Harvest Festival, everyone is welcome. At the end of the day please wait outside of the gates so that the children are not distracted. Thank you for your support so far.

Star Learners

Jacob for being a kind and caring friend.

Poppy for showing fantastic creativity
