

# Swan Class Weekly Learning Letter

Date: 28<sup>th</sup> September 2018

## Our Learning Journey

This week in Swan Class we have been learning about Harvest and the importance of sharing with others. We are very proud of the harvest song that the children performed so confidently. We have been continuing to explore our enquiry question "what makes a good learner?" and have focussed on resilience and teamwork. The children have enjoyed making mud potions in the mud lab as well as practising putting on the overalls independently.

## Parents in Partnership

Thank you for celebrating the Harvest Festival with us and for your donations. Please encourage your child to learn to independently get in to their coats now the weather is beginning to get colder and wetter.

## Star Learners

Jessica for settling in to school with a smile.

Freddie H for being a kind and thoughtful friend.

## Our Week in Pictures

Littleton C of E Infant School, Rectory Close, Shepperton, TW17 0QE
