

Littleton Explorers Weekly Learning

Letter Date: 12th October

Our Learning Journey

The children have been very interested in the conkers. We used them to make paintings, rolling the conkers through paint in a tray. The children also used the conkers to fill boxes, estimating how many were in the box and then counting to find out.

We had lots of fun wearing our listening ears to go on a listening walk around the school. The children had to be very quiet and listen very carefully.

Parents in Partnership

Reception admissions evening –
Wednesday 17th October 6.30pm

INSET day - Friday 19th
September

Star Learner

This week's star learner is Tyler for coming in to nursery with a smile and being a very happy explorer.
