Our Learning Journey

In English we continued our learning on verbs. We also learnt what an adverb was. We wrote a diary entry as if we were Florence Nightingale and explained how she helped the soldiers.

In Maths we have been learning about related facts. For example if we know $8 + 2 = 10$ we also know $80 + 20 = 100$.

On Monday we had a special treat when Mrs Dawsey came in and taught us a yoga lesson. We spent time focusing on our breathing and creating different poses with our bodies.

In history we wrote a fact file about Mary Seacole. We learnt all about the different herbal remedies she used to help the soldiers.

In Art we learnt about Picasso's abstract portraits and created our own version.

Parents in Partnership

Forest School Wednesday 17th October: Mrs Truby has decided to change the format of Forest School. She is now going to take 15 children in the morning and 15 in the afternoon. Next time she will swap the groups so that the children have the same amount of time in Forest School. With the increased number she will need **2 adults per session**

Session 1: 9 – 12 (with break)

Session 2: 1–3

If you can help with any of the sessions it would be greatly appreciated. If you can't do the whole session we can split up the morning/afternoon into chunks. With the new format you will not be guaranteed to be in a group with your child. Many thanks for your support.

Celebration of learning: Tuesday 16th October at 2:40pm. We can't wait to share our learning.
