

Swan Class Weekly Learning Letter

Date: 12th October 2018

Our Learning Journey

This week in Swan Class we have started our phonics sessions. Our focus sounds have been 's, a, t and p' and we have been learning to say, read and write them. The Legoland roleplay has been very popular and the children have been using money language to "buy" their models and bricks. In Maths we have been looking at the number 1 and making a 1 "museum" showing ways of making 1, e.g. 1 pencil, 1 swan, 1 clap etc. Name writing and recognition is also a focus area for us.

Parents in Partnership

Forest School will be on Thursday 18th October, please make your child has appropriate clothing. It would be helpful if you could practice name recognition with your child. Thank you for your continued support.

Star Learners

Ted for showing fantastic determination when building his model.

Dylan for being enthusiastic towards his phonics learning.

Our Week in Pictures
