Date: 12th October 2018

Our Learning Journey

In English this week the children have been re-writing the story of Charlie's Superhero Underpants. We were very impressed with their recall of the key events in the story.

In Maths we began to look at addition fact families. The children had to find the 4 number sentences that they could create. E.g. If the numbers were 1, 2, 3 the number sentences would be as follows;

- 1+2=3
- 2+1=3
- 3=2+1
- 3=1+2

It is important that children recognise that addition can be completed in any order and the equals sign can be moved within the number sentence.

In Enquiry this week we have been adding the finishing touches to our Roy Lichtenstein art work to share with you at our Celebration of Learning.

Forest School—Tuesday 16th October

Please can all children come in their school uniform with their forest school clothes and shoes in a separate bag. If you are able to volunteer please speak to Miss Poland first thing on Monday morning. Thank you :)

Focus on Phonics

I have seen a real improvement in the children's pronunciation of sounds. Well done! This week we have been looking at the phonemes *ure*, *air* and *ear*. Thank you to those who have returned their dictation this week.
