

Littleton Explorers Weekly Learning

Letter Date: 16th November

Our Learning Journey

Littleton Explorers turned their hands to making sandwiches this week. The children enjoyed spreading the butter and jam, cutting them in half and then getting to sample their sandwiches.

We had to make sure that we did everything in the correct order. We also looked at bread and what happens to it when it has been in the toaster. The children also helped to make a tropical fruit smoothie.

It has been fantastic to see all of the children exploring the nursery and trying to be independent learners.

Parents in Partnership

Thank you to those of you who have returned WOW slips, if you haven't had chance to please fill in a WOW to celebrate something that your child has done at home.

Star Learner

This week's star learner is Keziah for always trying hard and being a happy Explorer
