Date: 2nd November 2018

Our Learning Journey

Welcome back! I hope you all had a lovely half term. I have enjoyed listening to the children's news this week.

Our enquiry question this half term is **'What is it like living in South Africa?'**

In English we have been learning how to change verbs into the past tense by adding -ed.

We wrote letters about what we did during the half term with a focus on using -ed correctly.

In Maths we have been learning how to add a two digit and a one digit number. We have been learning what happens when you cross ten.

In Geography we have been learning about the seven continents and five oceans.

Focus on Phonics/Spelling

This week we have been learning how the 'i' is spelt in common exception words (*find, kind, mind, behind, child, wild, climb*).

Parents in Partnership

Please remember that next week is Parents Evening. If you haven't already signed up please do so. The sign up sheets are outside the classroom. I'm looking forward to discussing your child's progress in more detail.

Please remember the slots are 10 minutes and if we need to discuss anything in more detail we can arrange another meeting. Thank you.
