Our Learning Journey

This week in English we started writing our fact sheet about South Africa. We used our research from last week to help us. The children's stamina for writing is improving. Well done!

In Maths we continued our learning on column subtraction and have begun exchanging. It is quite tricky but the children persevered and did some fantastic learning.

In Geography we learned about different climate zones and where South Africa was located on a map.

In RE we continued our learning on the Ten Commandments and came up with a class 'Top Ten' for living a good life.

Focus on Phonics/Spelling

This week we have been practising spelling the phoneme /j/ when spelt as 'ge' and 'dge' at the end of words.

Parents in Partnership

Important Dates coming up:

Celebration of Learning will be on Wednesday 5th December at 2:45pm.

Christingle will be on Thursday 6th December at 9am.

Also just a reminder that long hair should be tied up and nail varnish should be removed before school. Thank you!
