

Littleton C of E Infant School

Littleton Parent Conduct Policy

Reviewed: September 2018

Next review date: September 2019

Introduction

Littleton CofE Infant School is a nurturing learning community. We believe that pupils learn best in a safe and supportive environment based on respect and trust and underpinned by an effective partnership between parents, staff and the school community. High standards of behaviour are required of pupils and staff are expected to act professionally at all times. We are very fortunate to have a supportive and friendly parent body. Our parents recognise that educating children is a process that involves partnership between parents, class teachers and the school community. As a partnership, our parents/carers will understand the importance of a good working relationship to equip children with the necessary skills for adulthood. For these reasons we continue to welcome and encourage parents/carers to participate fully in the life of our school.

Purpose and Scope

The purpose of this policy is to provide a reminder to all parents, carers and visitors to our school about the expected conduct. This is so we can continue to flourish, progress and achieve in an atmosphere of mutual understanding.

Guidance

As well as following the guidance set out in our Home-School Agreement, we expect parents, carers and visitors of the school to:

- Respect our Core Values; Care for Ourselves, Care for Each Other and Care for Our World through our love of God.
- Understand that both teachers and parents need to work together for the benefit of their children.
- Demonstrate that all members of the school community should be treated with respect and therefore set a good example in their own speech and behaviour.
- Seek to clarify a child's version of events with the school's view in order to bring about a peaceful solution to any issue.
- Approach the school to help resolve any issues of concern. You should first speak with your child's class teacher to try and resolve any concerns. In the event of being unable to reach a solution then you are able to contact Mrs Hewett (School Secretary) to make an appointment to discuss your concerns with Mrs Barton (Head Teacher).

In order to support a peaceful and safe school environment the school cannot tolerate parents, carers and visitors exhibiting the following:

- Disruptive behaviour which interferes or threatens to interfere with the operation of a classroom, an employee's office, office area or any other area of the school grounds.
- Using loud/or offensive language, swearing, cursing, using profane language or displaying temper.

- Threatening to do actual bodily harm to a member of school staff, Governor, visitor, fellow parent/carer or pupil regardless of whether or not the behaviour constitutes a criminal offence.
- Damaging or destroying school property.
- Abusive or threatening e-mails or text/voicemail/phone messages or other written communication.
- Defamatory, offensive or derogatory comments regarding the school or any of the pupils/parent/staff, at the school on Facebook or other social sites. Any concerns you may have about the school must be made through the appropriate channels by speaking to the class teacher, the Head teacher or the Chair of Governors, so it can be dealt with fairly, appropriately and effectively for all concerned.
- The use of physical aggression towards another adult or child. This includes physical punishment against your own child on school premises.
- Approaching someone else's child in order to discuss or chastise them because of the actions of this child towards their own child. (Such an approach to a child may be seen to be an assault on that child and may have legal consequences).
- Smoking and consumption of alcohol or other drugs whilst on school property.
- Dogs being brought on to school premises.

Should any of the above behaviour occur on school premises the school may feel it is necessary to contact the appropriate authorities and if necessary, even ban the offending adult from entering the school grounds.

We trust that our supportive parent and carer community will assist our school with the implementation of this policy and we thank you for your continuing support of the school.
